

Kelly Turkey Farms Ltd

Food Safety and Quality Management Policy

Kelly Turkey Farms Ltd is committed to providing a range of safe and legally compliant products and services which meet and exceed the needs and expectations of each of its internal and external customers.

Corporate Quality Objectives will be accomplished by maintaining a documented and effective Food Safety and Quality Management System which complies with the requirements of BRCGS for Food Safety.

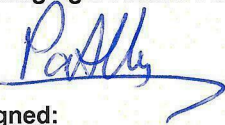

Senior Management is committed to providing the necessary human, financial and infrastructural resources to ensure the effective implementation of policies, procedures and processes to meet our obligation to produce safe, legal and authentic products to the specified quality.

We recognise our responsibility to produce safe, legal and authentic products that meet specified quality requirements, fulfil customer expectations, and maintain full compliance with all relevant regulatory and industry standards.

Kelly Turkey Farms Ltd is also committed to the continuous improvement of the Quality Management System through its Directors and Management Team, and duly provide access to the latest industry data, technical developments, and relevant legislation.
